ABOUT ME

Junior Software Developer with proficient in Front-End technologies like **HTML**, **CSS**, **JavaScript**, and **React**, as well as Back-End technologies such as **Python**, **C#**, **C++**, **Node.js**, **.NET**, and **MySQL**. Experienced in building responsive applications that enhance user experience and operational efficiency. Adept at collaborating in Agile teams to deliver high-quality, scalable solutions.

Based in London UK, I love creating minimal and beautiful looking websites.

My passion for design and Technology led me to seek opportunities in software development.

WORK EXPERIENCE

Freelance Junior Software Developer

Self-employed [01/2024 – Current]

Country: United Kingdom

- **Builds and maintains a portfolio** showcasing web and desktop applications, including **browser-based games** like **Snake** (HTML, CSS, JavaScript) and **Hangman** (Python with Tkinter).
- **Designs and develops interactive games** focusing on **game mechanics**, **user experience**, and **cross-platform functionality**.
- **Creates full-stack web applications**, such as a **React-based Fitness Progress Tracker** with **MySQL integration**, improving **data management** and **user interfaces**.
- **Works with front-end technologies** like **HTML**, **CSS**, **JavaScript**, **React**, and **back-end tools** including **Python**, **C#**, **C++**, **Node.js**, **.NET**, and **MySQL**.
- **Utilizes Git**, **GitHub**, and **VS Code** for **version control** and **project collaboration**, operating efficiently in **Linux development environments**.

Digital Operations Manager

Decathlon (High Street Kensington) [02/2022 – 01/2024]

City: London | Country: United Kingdom

- **Managed the development of internal tools**, streamlining workflow processes and **improving system uptime by 15%**, boosting operational efficiency.
- **Led cross-functional teams** to enhance in-store applications, delivering **high performance** and an **improved user experience** through custom digital solutions.
- **Drove digital transformation initiatives** by deploying tailored software, **enhancing data accuracy** and **automating manual processes by 20%**.
- **Increased overall sales by 20%** through **operational efficiency improvements** and **customer engagement strategies**, strengthening the company's market presence.
- **Enhanced customer satisfaction**, raising **Google review ratings from 2.5 to 4 stars** and fostering **positive customer feedback** across major review platforms.
- **Optimized store operations**, achieving a **30% improvement in cost efficiency** through **streamlined inventory management** and **enhanced spending controls**.

Department Manager

Decathlon (High Street Kensington) [11/2020 – 02/2022]

City: London | Country: United Kingdom

- **Led and developed a high-performing sales team** by **recruiting**, **training**, **mentoring**, and conducting **performance evaluations** to drive business success.
- **Set and achieves sales targets** through **customer-focused strategies**, ensuring **exceptional customer service** and **product knowledge**.
- **Overseen merchandising and inventory management**, ensuring **well-organized displays**, **accurate stock levels**, and **efficient restocking processes**.
- **Collaborated with the commercial team** to **develop business strategies**, **optimize product offerings**, and **implement promotional campaigns**.

- **Ensured operational efficiency** by **managing store operations**, **enforcing company policies**, and **maintaining compliance** with **safety regulations**.
- **Drove process improvement** initiatives by **developing Python scripts** to **automate routine tasks**, **saving the team several hours weekly**, while **collaborating with IT and development teams** to **troubleshoot and resolve software issues** affecting **store operations**.

Sales Assistant

Decathlon (High Street Kensington) [09/2020 – 11/2020]

City: London | Country: United Kingdom

- **Provided expert customer service** by sharing **sports knowledge** and offering **personalized product recommendations**, ensuring a **seamless shopping experience** both in-store and online.
- **Managed merchandising tasks**, including **stock management**, **pricing adjustments**, and **organizing product displays**, making products **easily accessible** for customers.
- **Collaborated with team members**, contributing to a **supportive work environment** while **working independently** to meet individual and team sales goals.

Bar Manager

Crowne Plaza [03/2019 – 02/2020]

City: London | Country: United Kingdom

- **Led and supervised bar staff**, providing **training**, **mentorship**, and regular performance evaluations to ensure **high-quality service** and adherence to company standards.
- **Monitored financial performance**, assisting with **budgeting**, **forecasting**, and ensuring compliance with **health and safety regulations**, while fostering a **positive team environment** through strong leadership and communication.
- **Drove process improvements initiatives** by developing **custom POS solution** to enhance transaction tracking, **reducing errors** and **improving accuracy by 10%**, while coordinating with third-party developers to integrate payment systems with back-end reporting tools.
- **Streamlined bar operations** by **optimizing inventory management**, automating supply ordering, and **implementing innovative drink menus** based on current trends and customer preferences.

Head of Bartender and Barista Operations (Seasonal Fixed Term Contracts)

Lakitira Resort & Village & Cafe Bar "Le Grand" [2017 – 2018]

Country: Greece

- **Oversaw all beverage operations**, managing both bar and café services to ensure exceptional quality and customer satisfaction.
- **Led and trained a diverse team** of bartenders and baristas, fostering a collaborative environment and maintaining high service standards.
- **Developed innovative beverage menus**, incorporating current trends to enhance the establishment's offerings and appeal.
- **Managed inventory and supplier relationships**, ensuring the availability of premium ingredients and efficient stock control.

Fitness Instructor

Gym Factor [02/2013 – 03/2017]

City: Patra | Country: Greece

Designed and led personalized fitness programs for clients, incorporating assessments of individual fitness levels to ensure safe and effective workouts.

Conducted group fitness classes, delivering engaging sessions that catered to various skill levels and promoted overall health and wellness.

Maintained a safe and clean workout environment, ensuring all equipment was properly sanitized and organized, and that safety protocols were strictly followed.
